

RENOVATION PROJECT

EVENT DATE: Saturday, October 7, 2017, (8am)

VOLUNTEER COMMITMENT FORM

Location: **Oso Lake Scout Camp**

(It can be a challenge finding this location, therefore we will provide detailed instructions)

We are hoping you will be able to take some time out of your day to help us prime and paint some buildings, garden, build a nature center area and much more. Feel free to bring friends and family - all of your support will be appreciated.

This year we are on our 2nd phase of the Boys Scouts of America's Oso Lake Campground. The mission of the Boy Scouts of America is to provide an educational program for young men and women to build character, train in the responsibilities of participating citizenship, and develop personal fitness. The Oso Lake Campground is also used to provide a place for YMCA, School Groups, Cub Scouts, University Ecological and camping programs for kids from low income families. This campground serves thousands of people in our community and will provide a huge impact on Orange County.

If you are interested in joining us and volunteering your time or contributing materials to this event, then please complete this form and email/fax to info@iremoc.org / (714) 882 7781.
